

**STANDARDS FOR ADMISSION TO A&S
AS A CONCURENT DEGREE CANDIDATE
(Both Within and Across Colleges)**

1. 3.25 Cum GPA at UHM.
2. Student shows strong promise of success in both degree programs as evidenced by successful completion of prerequisites for the concurrent degree (ex.—student who wants a concurrent degree in BS/ICS should have successfully completed the introduction to programming course, and started math, chemistry, and physics, which are required for the BS degree).
3. A statement of support from their current college must be completed on the application.
4. Application must be accompanied by a typewritten statement explaining what the student wants to do and why. There needs to be evidence that the student has clarity about the reasons for doing concurrent degrees. The statement should describe the educational value to themselves of pursuing two degrees, including an explanation of how the degrees relate to their academic and professional goals.
5. Student must complete the on-line JUMP Session, which includes a meeting with an advisor in this office. Student will be expected to sign an agreement that he/she will not take courses in excess of those needed to finish degrees. http://www.advising.hawaii.edu/artsci/pages/juniors/jump_online/default.asp
6. Student may not double dip; that is, use the same course to satisfy major requirements in both degree programs.
